## from the Director, Courtney Warner

This year, we will be closed for two extra days for staff training. We have grown and struggle to get our team together at the same time and place to complete our required safety training, training for our program areas, and do team building.

**We will be closed on Thursday, March 12, and Monday, October 19.**

Lunch will not be served, and the building will be closed. Meals on Wheels will receive a frozen meal in advance, just as we do for other holiday and weekend closures. We put a lot of thought into selecting these dates and know that activities and groups that meet on these days will be impacted. These decisions were not taken lightly and are in the best interest and growth of our organization.

Thank you for understanding.

Look to March's newsletter for trip date and details!

## VOLUNTEER *Spotlight*

**JUDI  
MILLER**

When she was 12 years old, Judi Miller discovered her passion for sewing and quilting. She's an expert seamstress and sells her high-quality handcrafted works of art in the Senior Center's Hidden Treasures Gift Shop. She also enjoys volunteering in the gift shop, camaraderie with other volunteers and assisting customers. Judi's career included leading a hospice program and various positions in law enforcement. She has called Carson City home since 2017 and enjoys all that the region has to offer. When she's not volunteering, she enjoys time with her sidekick, Spike, a Toy Fox Terrier and focuses on sewing purses, tote bags, wallets, kitchen and baby items, and her favorite projects are quilts.

## History PROGRAM

### Obscure History of the Eastern Sierra Part Three

**When:** Tuesday, February 10 at 1:30 p.m.

**Where:** Nevada Room (West End)

**About the Event:** In “part three” of this series, local historians David & Gayle Woodruff continue a reflective look at some of the Eastern Sierra’s deep, rich, and “little-known” history. The “premier” subjects of our region are well known and have been extensively covered in numerous books, documentaries, and films. But there are several unique and lesser-known tales that are often overlooked and unappreciated. Using vintage photos and extensive research, the Woodruffs recount a few of these esoteric anecdotes in a 55-minute slide show presentation. From the bizarre story of plans to build a tram to the very top of Mt. Whitney... to the amusing early history of Heavenly Valley Ski area, the unique true tales are interesting, entertaining, and amusing. Free Event. RSVP not necessary.

## RELATIONSHIP OF ORAL HEALTH AND NUTRITION

Diet, nutrition, and oral health all affect one another. Diet can affect teeth and the tissue of the mouth and gums, which then impacts the foods and nutrients one can eat. Good oral hygiene, a healthy lifestyle, and regular dental checkups are essential steps to a healthy mouth.

- Consume a balanced diet (fruits, vegetables, lean proteins, whole grains, and low-fat or fat-free dairy).
- Resist the urge to snack or sip on sugary treats or drinks.
- Snack wisely — make nutritious choices, such as vegetables, fruits, low-fat or fat-free yogurt, unsalted nuts, or whole-grain crackers.
- Enjoy calcium-rich foods, such as low-fat or fat-free milk, yogurt, and cheese, tofu, canned salmon, almonds, and dark green leafy vegetables.
- Get plenty of vitamin C, which promotes gum health, such as citrus fruits, tomatoes, peppers, broccoli, potatoes, and spinach.
- Drink plenty of water, with fluoride (if possible), and limit alcohol consumption.
- Visit the dentist at least once a year — regardless of whether you have teeth or dentures.

### Senior Submission

**JOKE**

I was holding a bottle of Paul Newman salad dressing when my niece asked me who Paul Newman was. I told her he was an actor, basically the Brad Pitt of my mom's generation. Then she hit me with, "Who's Brad Pitt?" If anyone needs me, I'll be at the Senior Center eating applesauce.
