

NEED TO SEE A DOCTOR?

Connect now with telehealth services

This program is part of the Nevada CAN statewide COVID-19 response, led by the Nevada Aging and Disability Services Division.

Appointments are available; no need to leave your home

Nevada CAN offers in-home telehealth appointments to prevent unnecessary hospitalizations and maintain health among elders. Telehealth is the use of phones or computers to connect with health care providers.

Services available: Geriatrics assessment*
Social work
Dementia screening and care
Psychiatry
Primary care

** Access to all services begins with a comprehensive geriatrics assessment to identify needs.*

Equipment you need: Computer, tablet or phone equipped with a camera.

Who can get services? Any older adult (60 years or older).

Insurance information: We will work through your existing insurance, including Medicare, to cover costs. We will not turn anyone away if they are uninsured, but may need to explore options.

Request help during COVID-19:
