

Biases: The Mind's Blind Spots

What We Don't See About Our Own Thinking

This FREE 90 minute session will explore biases. Our own and those we encounter in others. We'll see learn critical thinking can help us recognize and deal with them in the real world.

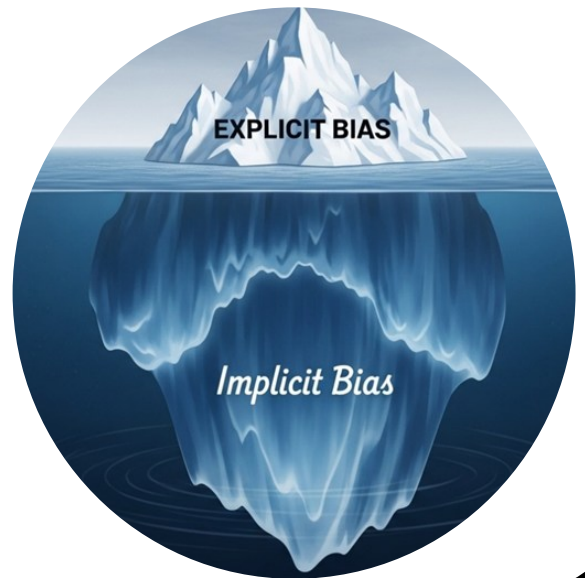

No advanced reservation required. Just walk in.

Monday, June 15, 2026

10:00-11:30AM

Tahoe Room

Carson City Senior Center
911 Beverly Drive
775.883.0703

This is the third in the three part series being presented by Burke Pease, a retired tourism marketing executive and university professor. The first two sessions dealt with how to push back on big tech's algorithms and understanding fallacies.

Mr. Pease previously presented a *Critical Thinking* series at the Carson City Senior Center.
