

Smoke, Mirrors, and Bad Logic

How Fallacies Hijack Your Thinking

This FREE 90 minute session will explore how identifying fallacious thinking can be used for better decision making.

No registration required. Just show up.

Monday, May 18, 2026

10:00-11:30AM

Tahoe Room

Carson City Senior Center

911 Beverly Drive

775.883.0703

Fallacies are the butcher's thumb on the scale!
(Only folks of a certain age will understand this reference.)

This is the second in a three part series being presented by Burke Pease, a retired tourism marketing executive and university professor. Next will be June 15th ("The Mind's Blind Spots— How Biases Influence Our Actions"). Mr. Pease previously presented a *Critical Thinking* series at the Carson City Senior Center.
